

opT

Tboats *Serious Fun*

The International Optimist is now built in Vietnam by Tboats. Ideally suited as a training dinghy that is safe and unsinkable. As a first boat for small adults and 8-15 year olds the opT is a great trainer and raver alike.

| | |
|-------------|---------|
| LOA | 2.30 m |
| Beam | 1.13 m |
| Draft | 0.77 m |
| Boat weight | 50 kg |
| Sail area | 3.5 sqm |

Tboats have adapted the Optimist dinghy to suit our

specific requirements for Vietnam. This boat has been nicknamed the opT in reference to the bui-older Tboats.

The new opT has the same hull and rig as the international Optimist but now with built in buoyancy so the boat is unsinkable. The cockpit is rounded and comfortable,

A feature of the opT is the central seat with the flush fitting centerboard allowing for the boat to be used as a rowing dinghy.

The boat is finished to a high standard with polyester gelcoat finish and composite foils.
